Please mark your calendars to
attend the **May P.A.C.E. Meeting**
Monday, May 13, 2013
6:30-8:00 p.m.

Shepard Center, 873 Walcutt Avenue, Columbus, 43219

Annual Wrap-up & Planning

Join fellow parents of gifted students as we wrap up this year and look ahead to next school year!

Planned highlights of this meeting:

- Thanks and farewell to Dr. Gene Harris
- Election of Officers for 2013-2014
- Discussion of topic suggestions to help the Steering Committee formulate an agenda for next year
- Parent to Parent sharing and discussions to help each other

No matter what challenges you are encountering on the pilgrimage of raising your gifted and talented student, you are not alone. Come and compare notes with other parents and guardians. Let us learn from each other, and together work to make our experiences and programs the best possible—on the level of each student, school, district, and state.

We especially request your contribution to the discussion for planning next year's focuses and activities. The Steering Committee will appreciate all of the ideas and enthusiasm you bring, as they plan programs and advocacy for 2013-2014! And you'll be glad you came and contributed too.

We will have child care at this meeting, so bring a favorite book or game - or homework!

This flyer is also available online on the *Resources* page at www.columbuspace.org

Keep in Touch between meetings!

PACE is a Volunteer Parent Group

When you join P.A.C.E., you get not only the latest and greatest information through our newsletters, website, and email group; you become part of the "we" of P.A.C.E.

The P.A.C.E. community comes together to support one another, and to work with C.C.S. educators. Together we can make a difference: for your child, for my child, and for all the children in CCS.

OUR MISSION: We are a community of parents, grandparents, guardians & families in the Columbus City Schools.

We work together to help gifted children shine.

We know the frustrations, the joys and the intensity of raising a gifted child and we support all those who are on this difficult and wonderful journey.

We are affiliated with the Ohio Association for Gifted Children and the National Association for Gifted Children.

MONTHLY MEETINGS

are held at: The Shepard Center
873 Walcutt Avenue,
Columbus, Ohio 43219.

North off E. 5th Ave. (0.3 mi West of I-670) between Nelson and Sunbury
