

Helping Our Children Shine

February PACE MEETING

Navigating Secondary Options

Dr. Colleen Boyle, Director of the Gifted and Talented Division of Columbus City Schools will be discussing all the secondary options available to students: different school options, AP classes, College Credit Plus, IB program, VCAP, etc. This will be a great chance to ask questions about the different programs and find out how they might fit in to your student's education plan. Please join us to find out more about which programs will best fit your family.

Thursday, February 21, 2019 from 6:30-8:00 p.m.

Woodward Park Middle School

Library

5151 Karl Road, Columbus, Ohio 43229

Scholarships Available!

Looking for a way to make those summer programs possible? Support for Talented Students provides scholarships for summer enrichment programs for gifted and talented Central Ohio students currently in grades 3-11 whose families could not otherwise afford the costs

PACE is a Volunteer Parent Group

We are a community of parents, grandparents, guardians, and families in CCS. We work together to help gifted children shine. We know the frustrations, the joys, and

the intensity of raising a gifted child, and we support all those who are on this difficult and wonderful journey. We are affiliated with the [Ohio Association for Gifted Children](#).

Upcoming PACE Meetings

P.A.C.E. Meetings are held one evening of each month, 6:30-8:00pm, at different schools throughout the district.

**3/21/19 - Thurber House Writing Enrichment
Location TBD**

**4/11/19 - Transitions
Northgate Intermediate**
